PRE-SCHOOL AGES 3 – 4 – 5

Art and Physical Education ~ taught by Lena Bullamore. This self-contained class, with indoor and outdoor activities, is directed by a fine teacher who is well-known on our coast for her many years of working with young children. In this 3-hour program, children will participate in movement, drama, games, music and visual art; all in a safe environment that encourages creativity in art, and body awareness in movement.

GRADES 1 – 2 – 3, AND GRADES 4 – 5 – 6

The classes below are offered to students in groups of grades 1-2-3, and grades 4-5-6. Students enroll in two 1½-hour classes, for a total of three hours each day. Classes are subject to change. Choose two among:

Ceramics ~ Students will create in clay; animals, flower pots, plates, mugs, mobiles and other creations with slab work. Students will experience glazing techniques with home-created glazes.

Music/Singing ~ Students will learn about music in a safe supportive atmosphere. This year's group will work towards a recital of their own. Music will be focused on piano, voice, percussion and some history. Students will learn about famous musicians from 1600-present.

Creative Arts and Crafts ~ Students in this class will explore a variety of craft projects including felting, weaving, rock painting, making of puppets, beads, sculptures, and picture wheels. Activities will be designed to encourage the unique creativity of each child.

Irish Dance ~ Traditional Irish Dancing classes are taught to promote Irish culture in a fun, family like atmosphere. This class will teach the basics of traditional Irish dance including the Reel, Jig, Single Jig and Slip Jig. Students will be encouraged to learn at their own rate.

Culinary Art ~ Students will learn the art of basic kitchen health and safety, how to set a table, create a menu, prepare and serve. Students will get to vote on more than half of the cooking projects. This will be a hands-on class, and students will get to take home goodies to share on a few days. Bring ideas and wishes on what types of fruits, vegetables, and cultures you would like to learn about!

Drawing / Painting / Photography ~ Each day students will learn various techniques of creating art. Students will travel in time, on Gualala Arts trails, and in the classroom, learning techniques and skills of the past, present and future. A wide variety of media will be explored.

Note to Parents: Anyone can get head lice; it is not a sign of poor hygiene. Lice are spread through head to head contact with someone who has lice. Less commonly, they can be spread by sharing items such as hats, combs, and headphones. They are a nuisance, but will not harm your health. Lice are common in day cares and schools. Please, every morning check your child by combing the entire head with a fine tooth comb. Head lice are small insects the size of a sesame seed. They move quickly but do not jump or fly. Lice lay tiny grey/white eggs (nits) which stick to hair. If you should find any, please keep your child at home and notify Gualala Arts. Speak with a pharmacist about which treatment you should use. Gualala Arts will notify all parents if there is any report of head lice.
