

Since Gualala Arts was formed as a non-profit organization, it has become a vibrant and active arts association supporting a variety of programs for both residents and visitors to the area. The 15,000 square foot facility includes the three-hundred-seat Coleman Auditorium (with a stage and dressing rooms) the Saville commercial kitchen, a control room, the Howell Conference Room, the Mohr Mezzanine, classrooms, library, ceramics studio, the Burnett Art Gallery, and the Elaine Jacob Foyer where tall windows allow the surrounding redwoods to share the exhibition space. Outside areas include the Jami Amphitheater with stage, the Karel Metcalf Garden Terrace, the DePrima Terrace, a hiking trail down to the river, a meditation area in magnificent rings of old-growth redwoods, a barbecue area that seats 100, and a sculpture garden.

The associated store, the Dolphin Gallery, is located in the center of town and is the showplace and retail outlet for the work of local artists. It also serves as an additional Visitor's Center where one can find information on restaurants and accommodations, local events and the best beach for the time of day and weather. The Gualala Arts Center is open weekdays from 9 a.m. to 4 p.m. and most weekends from 12 to 4 p.m. Visitors are always welcome. The current calendar of exhibits, concerts, plays and classes can be found at GualalaArts.org, in the Sketches newsletter, or by calling (707) 884-1138. Membership is open to all. The Arts Center may be rented for weddings or private social events.

Summernationals Pinewood Derby Rules

1. All cars must pass inspection to qualify for the race. The inspection points are as follows:
 - a. The car must have been made within the last 6 months, and built primarily by the racer.
 - b. The width of the car shall not exceed 2 ¾ inches.
 - c. The length of the car shall not exceed 7 inches.
 - d. The car must have at least 1 ¼ inches clearance between the wheels.
 - e. The car must have 3/8 inch clearance underneath the body so it does not rub on the track.
 - f. The weight of the car shall not exceed 5 ounces.
 - g. Axles, wheels and body wood shall be as provided in the kit. Only official BSA wheels are acceptable. The axles may be polished and/or lubricated with dry lubricant only.
 - h. Wheel bearings, washers and bushings are prohibited. The wheels may not be cut, drilled, beveled or rounded. You may remove the seams and imperfections from the wheels.
 - i. The car shall not ride on any kind of type of springs.
 - j. Any details added must be within length, width and weight limits.
 - k. The car must be freewheeling, with no starting devices.
 - l. No loose materials of any kind (such as lead shot) are allowed in the car.
 - m. Weights (if used) must be permanently attached to the car. Weights held on by any kind of tape (Scotch, duct, cellophane, etc) are not permitted and will be removed during inspection.
2. Once a car passes inspection and is entered in the race, only race committee members can touch it.
3. Each heat and race will be announced. The starter will make sure the cars are on the track properly and then will start the race.
4. All cars will race a minimum of 4 races within a heat, running once on each lane of the track. The winning car in each classification will be the car with the lowest total Elapsed Time for all races it completes.
5. One (1) Best Time Overall Trophy will be awarded to the car with the lowest total Elapsed Time among all classifications **except** Vintage.
6. All racing cars must be official Pinewood Derby Kit cars which can be purchased for \$5 from Gualala Arts Center (GualalaArts.org) , 46501 Gualala Road, Gualala, 707-884-1138 or the Scout Shop (RedwoodBSA.org), 1000 Apollo Way, Suite 106, Santa Rosa, 707-546-1013.
