

Since Gualala Arts was formed as a non-profit organization, it has become a vibrant and active arts association supporting a variety of programs for both residents and visitors to the area. The 15,000 square foot facility includes the three-hundred-seat Coleman Auditorium (with a stage and dressing rooms) the Saville commercial kitchen, a control room, the Howell Conference Room, the Mohr Mezzanine, classrooms, library, ceramics studio, the Burnett Art Gallery, and the Elaine Jacob Foyer where tall windows allow the surrounding redwoods to share the exhibition space. Outside areas include the Jami Amphitheater with stage, the Karel Metcalf Garden Terrace, a hiking trail down to the river, a meditation area in magnificent rings of old-growth redwoods, a barbecue area that seats 100, and a sculpture garden.

The associate store, The Dolphin Gallery, located in the center of town is the showplace and retail outlet for the work of local artists and also serves as an additional Visitor's Center where one can find information on restaurants and accommodations, local events and the best beach for the time of day and weather.

The Gualala Arts Center is open weekdays from 9 a.m. to 4 p.m. and most weekends from 12 to 4 p.m. Visitors are always welcome. The current calendar of exhibits, concerts, plays and classes can be found at GualalaArts.org, in the Sketches newsletter, or by calling (707) 884-1138. Membership is open to all. The Arts Center may be rented for weddings or private social events.

Promoting public interest and participation in the arts since 1961.

Gualala Arts Auto Show - Other Awards Descriptions

Longest Distance Traveled Award - Awarded to the entry that traveled the most miles one way from its home to participate in the Auto Show. This will be based on the “Distance Traveled miles one way” entered on the Auto Show Entry Form. Please use a mapping program (i.e. Google Maps, Bing Maps, Yahoo Maps, etc.) to determine your exact mileage on your entry form. Gualala Arts Center address is 46501 Gualala Rd., Gualala CA 95445

People’s Choice - Awarded to the entry that receives the most votes from all Auto Show participants and attendees. Participants and attendees are given 1 ballot which they can fill out and turn in. Only 1 ballot per person will be accepted!

Ladies’ Choice - Awarded to the entry that receives the most votes from female Auto Show participants and attendees. Female participants and attendees are given 1 ballot which they can fill out and turn in. Only 1 ballot per person will be accepted!

Pirate’s Choice - Awarded to the most “Pirate-ical” car, the one that a Pirate would “jump in and steal.” Judged and awarded by Mike “Bone Daddy” and Mary Thomas of Bones Roadhouse.

Terrace Award - All entries are reviewed as they arrive the day of the Auto Show by members of the Gualala Arts Auto Show Committee. 2 entries will be selected for display on the Gualala Arts Center’s DePrima Terrace. This prestigious award will showcase the winners in the prime location in front of the Gualala Arts Center. Winners of this award will not be eligible for any other class or Judges Awards, but are still eligible for Other Awards categories.

Display Only Class - If you just want to have your vehicle in the Auto Show but do not want it to be judged, please circle this classification on your Auto Show Entry Form. You will receive the free event T-Shirt and Goodie Bag just like everyone else. Please note that your vehicle is still eligible for the Other Awards categories.

Gualala Arts Auto Show Judged Classes

Stock 1949 and earlier

Stock 1950 through 1975

Stock 1976 through 1999

If your car looks like it came from the factory from 10 feet away and when you open the hood and doors it looks that way as well, these are the classes for you:

- Exterior and interior are essentially as from the factory
- Aftermarket gauges and/or sound systems are acceptable, but should be period correct (i.e. 8 track player is good, state of the art MP3 capable sound system is not)
- Wheels and tires should be either stock or period correct (i.e. Cragar SS chrome rims and Good Year raised white letter 60 series, not 20" Dubs with 35 profile tires)
- Drivetrain should be either original, or make and period appropriate (i.e. 65 Mustang that blew its straight 6 200 cu engine and was replaced with a built 289)
- Engine dress up modifications are acceptable (custom valve covers, headers, air cleaners, etc.)
- Suspension modifications are allowed if they are safety, appearance or performance related (front or 4 wheel disc brakes, Gabriel HiJackers, ladder bars, etc.)

Hot Rod Pre 1932

Hot Rod 1932 through 1942

C'mon, you all know what a Hot Rod is. It can be any period correct body style (roadster, coupe, sedan, pickup, panel truck, cabriolet, etc.).

Race Car

Any car that has been built or modified specifically to participate in sanctioned racing. Entries may be street legal or track only. This would include, but is not limited to:

- Dragsters
- Circle track
- Go kart
- Dirt track
- Bonneville
- Indy car
- NASCAR
- Any other recognized competition category

Custom/Modified

The car has been significantly and recognizably altered from its stock appearance, either its exterior, interior or both. Paint will be an important consideration in this class, with the quality and/or creativity of the paint job being part of the overall judging.

Customs typically have been chopped, channeled, flared, frenched and/or had other body modifications made and always have a custom paint job.

Gualala Arts Auto Show Judged Classes

Modified cars will typically appear near stock initially, but may have been tubbed, flared, had mild (or wild) body modifications, spoilers, and/or interior modifications (i.e. digital gauges tuck and roll upholstery, killer sound systems, later model steering wheels and seats). Most cars in this category will have non-stock wheels and tires and suspensions. The original engine and/or transmission has been rebuilt significantly or replaced with an aftermarket or crate motor.

Truck/Off Road

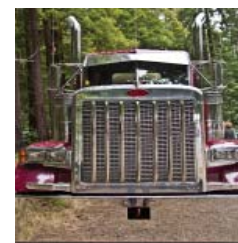

Trucks is trucks – pickups, El Caminos and Rancheros, Subaru BRATs (not expecting too many of those), panel trucks, delivery trucks, Suburbans, etc.

Off Road is any vehicle that you don't mind getting dirty off the pavement. Jeeps, Broncos, Hummers, FJ's, International Scout – if it gets dirty off road this is the class for you.

Commercial

Work trucks, Semis, rock haulers, cement mixers, dump trucks, ice cream trucks, reefers, delivery vans, you name it – if it works for a living this is the class for you.

Contemporary 2000 or newer

Any car built after 1999 is eligible for this class, as long as it is essentially stock and has some interesting story or reason for being in the auto show. Heavily modified **contemporary cars** should consider other classes such as Custom/Modified, but if you have a totally original, beautifully maintained, rare, special and/or gorgeous car built after 1999 this is the class for you.

Motorcycle

2 wheels or 3 wheels with handlebars? This is your class.

Import

This class is for essentially stock cars built outside of the United States (Japan, England, Germany, Italy, etc.) before 2000. If your **import** car looks like it came from the factory from 10 feet away and when you open the hood and doors it looks that way as well, this is the class for you.

Rat Rod

A **Rat Rod** is a style of Hot Rod or custom car that, in most cases, imitates (or exaggerates) the early Hot Rods of the 1940s, 1950s, and early-1960s. Generally based on a pre-1940 body, but can also use cars up to the mid-60's as their starting point. The style is not to be confused with the somewhat closely related "traditional" Hot Rod which is an accurate re-creation or period-correct restoration of a Hot Rod from the same era. Most Rat Rods appear "unfinished," regardless of their status, as only the vehicle's bare essentials are driven. Judging will be based on the overall appearance of the car and its adherence to the essence of Rat Rod culture, that of being a "work in progress."

The Hampshire Brothers

The Gualala Arts Auto Show is proud to honor Ronnie and Gerald "Jeep" Hampshire as this year's Auto Show featured guests. The Hampshire Brothers have spent a lifetime in the racing world, building and racing a stunning variety of dragsters. They have been popular participants in every Gualala Arts Auto Show since the inaugural show, and delight the crowds on both Nitro Friday at Bones Roadhouse and at the Auto Show on Saturday by firing up their Top Fuel dragsters. As always, the Hampshire Brothers will donate "seat time" as raffle prizes, giving the winners the chance to suit up and sit in the dragster when it is fired up. Gualala Arts

thanks the Hampshire Brothers for their long and enthusiastic participation in the Auto Show, it wouldn't be the same without them!

Nitromethane Thunder & Drive In Car Show Friday at Bones Roadhouse

Start enjoying the Auto Show early by coming to Bones Roadhouse, 39080 Highway 1, on Friday, July 19th starting at 4 p.m. for the Drive In Car Show in the parking lot. Get there early and enjoy food, beer, wine, altered spirits or soft drinks while you check out the dragsters and other great cars, trucks and motorcycles in the parking lot. Enjoy the sights and sounds of Top Fuel dragsters lighting up the night when Nitromethane Thunder roars at 9:00 p.m. "Bone Daddy" has invited the Les Filles Rouges Burlesque troupe, Fire Dancers and the Bud Girls to round out the show. Buy raffle tickets from the ladies for a chance to sit in the driver's seat and fire up one of the dragsters (proceeds benefit Meals on Wheels). No charge to attend this great event.

5th Annual Gualala Arts Auto Show at the Gualala Arts Center

This admission free show opens Saturday, July 20th at 10:00 a.m. for the public and closes at 4:00 p.m. Continental breakfast will be available for purchase on the Gualala Arts Center grounds from 7 a.m. to 10 a.m., lunch will be available for purchase from 11:00 a.m. to close and beverages (wine, beer, soft) are available all day. The awards ceremony begins at 3:30 p.m. Music and entertainment all day.

3rd Annual "Summernationals" Pinewood Derby at the Gualala Arts Center

Youth and the young at heart will be able to design and build their very own custom car to race on Gualala Arts' state-of-the-art aluminum racetrack, complete with computerized time, speed and results display. Racing classifications include 8 and under, 9 to 12, 13 to 18, 18 years and older, Art Car and Historic (car built prior to 2013 or a previous Gualala Arts Pinewood Derby entry). There will be racing trophies and participation medallions. Make this part of your Auto Show experience by building your own Pinewood Derby car, and make the competition interesting by having all your family members build one, too! Check in and inspection Saturday, July 20th 10 a.m. to 11:00 a.m., races start at 11:30 a.m. For more information visit GualalaArts.org, email Info@GualalaArts.org or call 707-884-1138.
