Festival of Trees 2013

Everyone is welcome to participate. Children, adults, merchants, groups, etc.

The tree itself may be a traditional “live” or “faux” tree, or you may explore another media such as bonsai, ceramic, gourds, driftwood, kelp, fabric, etc. The decorations may be of any media....2D or 3D interpretations are welcome. Lights are not required, but if the tree does have lights the lights must be UL approved.

The Festival of Trees Committee encourages everyone to consider height and weight. Small trees are very popular. Please contact the curator if you are considering any design over 5 feet and/or over 20 pounds.

All entries should be received at Gualala Arts between Monday, November 25 through Wednesday, November 27, 10 am –2pm in the Jacob Foyer. Check in Susan King at the front desk to register your tree.

All trees will be considered donations to the arts center and will be made available for sale during the Festival as part of the fund development. The tree designer will receive a donation form for tax purposes.

The curator (Suzie Pollard) will notify the tree designer of any tree that has not sold and arrange a time for pickup. Generally, the pick-up time is Sunday, December 1 between noon-4pm.

We expect most of the trees to sit on white exhibit pedestals or on tables, and so will be viewed from all sides. Please keep this in mind when choosing and decorating your tree. Any base must be sturdy enough to not bend when picked up. Any piece that requires hanging must be sturdy (no saw-teeth, etc.).

This year the prices of trees are fixed. So bring the tree with a “fixed price” in mind. Also, if you want to include a write-up about the tree, please include that when you bring in the tree. (Note: the art center will not be able to type up the description.)
