**Exhibit Statement:** *Automobilia* celebrates the art of the automobile. It is intended to be a superb and appropriate complement to the Auto Show and encourage a diverse, entertaining and very different display of automotive related art. The exhibit will showcase automotive themed wall art and sculptures in multiple media throughout the room, all created to fascinate and delight all visitors to the exhibit. Another goal is to actively encourage the participation from artists under the age of 18. Each judged class in the exhibit will present both adult and under 18 awards, with the youth class carrying a small cash award in addition to the ribbon or plaque. *Automobilia* is a judged exhibit, but not a juried one unless the number of entries reaches the available capacity of the Jacob Foyer and the Coleman Auditorium.

**EXHIBIT CLASSES - Please visit [GualalaArts.org/Gallery/2014-07-Automobilia.html](http://GualalaArts.org/Gallery/2014-07-Automobilia.html) for details and examples of the exhibit classes.**

An entry would be considered an automobile sculpture if it was identifiable as an actual automobile or generally expresses the essence of an automobile.
