MATERIALS LIST

For a detailed list please visit http://jennifermcgee.com/equipment_and_tools.

- Lunch
- Gloves - A pair of tight gloves, the garden type (Atlas) are best and pair to protect your hands and arms while cutting metal.
- A box of surgical gloves, latex or vinyl for plastering. Costco carries great ones!
- 3 Gallon bucket is best, but a 5 gallon bucket will work.
- Wire cutters, Linesmen Pliers, Long nose pliers.
- A piece of plywood to build your sculpture on to make transportation easier.
- Old blankets or drop cloth to work on which then can be used as padding to take your sculpture home.
- Students should be prepared for outdoor class sessions by wearing weather appropriate protection (including weather changes), such as sun hats and sunscreen.
- Marbles, mosaic pieces, stones, shells, trinkets, metal, sheet-metal, found objects: if you want to incorporate these into your sculpture.
- Recycled form if required i.e.: old wire chair or wire frames, polystyrene, buckets, preferably not anything wood.
- Clay working tools and a spoon or two!
