

Studio Discovery Tour

Labor Day weekend & the weekend after:
Saturday-Monday, Aug 30-Sept 1, 10:00 a.m. - 5:00 p.m.
Saturday-Sunday, September 6-7, 10:00 a.m. - 5:00 p.m.

For the sixteenth year, the North Coast Artists' Guild has organized the Annual Studio Discovery Tour for Labor Day weekend and the following weekend.

Coastal artists once again open their private studios providing visitors with the chance to meet the artist in person, to see demonstrations, to ask questions and to purchase original and unique works of art.

Artwork includes paintings, sculptures, jewelry, ceramics, glass art, textiles, photography, iron work, murals and much, much more.

This free self-guided tour takes you at your own leisurely pace along the beautiful serene coastline from Stewarts Point to Little River. Along the roadside directional signs in bright yellow will help guide you in this adventure. The Discovery Tour catalog and map will coordinate with the numbered signs and is especially important when visiting the Sea Ranch artists because there is little directional signage along Highway 1 through Sea Ranch.

The printed catalogs will be available at many locations throughout the area, including the Gualala Arts office. Also, check the websites NorthCoastArtistsGuild.com and Studio-Tours.com for updated information.
