Recycle Your Art & Second-hand Sale

A fundraising "Yard Sale" for Gualala Arts
Saturday, October 11, 2008, 9:00 a.m. - 12:00 noon
at the Gualala Arts Center

When struck by your housecleaning urge, don't forget Gualala Arts' "Recycle Your Art and Second Hand Sale", which is coming up on Saturday, October 11 from 9:00 a.m. - 12:00 noon.

Donating 'high quality' household items, furniture, collectibles, and art work not only reduces clutter at home, but also provides a tax deduction and helps a good cause. It may even make room for the new purchase you have been craving.

Gualala Arts depends on fundraising to bring our community high quality and diverse programs. The semi-annual sale represents a large percentage of our revenue budget. Supporting this event ensures the success of the arts in our community.

Please call (707) 884-1138 to arrange for a pick up or drop off. Due to space restraints and timing of events, we would prefer pick ups and drop offs the week before the sale. If necessary we can make arrangements for an earlier pick up or drop off and put your items in temporary off site storage. Please do not donate old electronic equipment, periodicals, clothing, or books.
