# Arts Lovers

Arts lovers can directly support the arts on their 2010 California Income Tax Returns. Funds go to the state agency that provides arts funding in schools and local communities throughout California.

Minimum donation: $1. If all California taxpayers donated just $1 to the California Arts Council on their taxes this year, there would be $15 million for the arts for children and communities.

Contributions may be made on either the Form 540 or Form 540EZ, or through e-filing systems like TurboTax. See line 415 "California Arts Council" on the "Contributions" section. Please consider donating today. For more information, contact the California Arts Council at **www.arts.ca.gov**.
