Rocky Mountain Celtic... what Celtic becomes when it settles comfortably, three generations in the west! Americans doing what they do best – interpreting their roots music in fresh and original ways!! The combination of their Celtic heritage plus their Montana and Colorado roots gives audiences a distinctive musical experience. Original compositions with an ancient sound, and traditional pieces redressed in their customized style.

Performing and studying with master musicians, storytellers and dancers in Ireland and Scotland, guarantees sparkle and depth with a Willson & McKee event! Repeated honors at such events as the Walton’s of Dublin International Songwriting Competition at the Milwaukee Irish Festival and instrumental awards such as a National Instrumental Championship guarantee the highest quality performances. The combination of blazing instrumentals, warm harmony vocals, a lot of laughter and a ceilidh dance or two translates into... never a dull moment! A Willson & McKee concert is a curiously untamed moment in time, gathering past and present... a comfortable and engaging musical evening with friends. The concert will include material from their nine recordings, including their latest collection from their last tour to Scotland.
