

2013

Summer Art Program for Youth

This year we will be featuring the continent of AFRICA!

TUESDAY - FRIDAY, JULY 9 - 12

TUESDAY - FRIDAY, JULY 16 - 19

9:30 A.M. - 12:30 P.M.

All children from pre-school (age 4) through 8th grade are invited to participate in the popular Summer Art Program for Youth, sponsored by Gualala Arts.

Tuition:

\$295 per child if registered before July 1, if class is not filled.

\$100 scholarships are available with a written request submitted with application.

Registration and medical consent forms are available at the Gualala Arts Center or online at GualalaArts.org

Some of the classes and activities that students can enjoy in the Summer Art Program:

- **PreSchool Art and Fun** with Annette Wilson from the Point Arena Little School.
- **The Art of Beading for Fun** with Rhoda Teplow - Learn about beads and tool safety.
- **Culinary Arts** - Students will learn techniques and recipes from Africa
- **Colors, Colors, Colors** with Tina Freimuth - explore the "magic" world of primary colors.
- **Masks, Music and More** with Jane Head - make animal masks and music rattles
- **African Beats** with Katrina Van Walterop - African music, instruments, songs and games. *Week 1 only.*
- **West African Dance** with Maria Kostick - Learn West African dances *Week 2 only.*
- **African Textiles** with Sarah Spieller - make personalized textiles,with traditional African themes

Other workshops in July children could enjoy::

MASKS, MONSTERS AND MASTERPIECES CERAMICS WORKSHOP

with The Rusty Potter

Tuition \$60

Monday July 8, 9:30. - 11:00 a.m

Monday July 15, 9:30. - 11:00 a.m

The workshop is a stand-alone 2-day class The first Monday will be spent hand building, wheel throwing and working with wet clay. On the second Monday we will glaze items from the previous week as well as a pre-made dinnerware set (bowl, plate, etc). Space is limited. Additional class may be added to meet demand.

OCEAN HELPERS WORKSHOP

Thursday, July 11 from 1:30 - 3:30 p.m.

Tuition \$10 per family

A family oriented workshop teaches and empowers children and their families to pick up plastic and Styrofoam so it does not end up in oceans.
